> Senior Brand Designer with 5+ years building Arabic-first, bilingual brand systems and campaigns for B2B SaaS and service companies across the UAE, KSA and Egypt. I set visual direction, build systems that hold up at high volume, and run the creative operations behind them, including leading a team of five designers.

EXPERIENCE

Senior Brand Designer · ELIXIR MD INC — Oct 2026 — Present
Remote

- Built the company's expanded brand guidelines (68 pages, v1), reviewed directly with the CEO.
- Defined the brand's Arabic typography system, extending Latin-only guidelines for regional use.
- Adapting English collateral (booklets and guides) into Arabic for the regional rollout.

Senior Designer · mazeed — Aug 2025 — Oct 2026
B2B SaaS · UAE & KSA

- Led the visual direction and design system for an accounting SaaS serving 1,000+ clients across the UAE and KSA, across marketing, product and corporate touchpoints.
- Wrote and presented the 2026 creative direction and a competitive visual analysis (QuickBooks, Xero, Zoho Books) to leadership.
- Directed bilingual campaigns in English, UAE Arabic and Saudi Arabic for Meta and LinkedIn; single campaign systems reached 80 assets across 2 languages and 5 formats.
- Launched the mobile app on the App Store and Google Play and built a 16-icon service system for web and sales.
- Designed C-level, investor and government-stakeholder presentations as the main creative resource for 5+ departments.

Creative Lead · Bayantech — Jul 2024 — Aug 2025
Language services

- Led and mentored a team of 5 designers, setting up structured feedback, QA and development that raised autonomy and output quality.
- Owned creative direction for 5 brands at once, overseeing 250+ designs a month across identities, guidelines and campaigns.
- Built CreativeVault, a central asset-management system: 90% faster file retrieval and 200+ hours saved a year.

Graphic Designer · ATOP Arab — Feb 2023 — Jul 2024
Plastic surgery · MENA

- Designed social, print and video content, including reels and motion, under one consistent visual language.

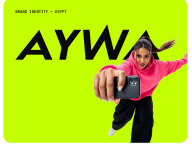

Graphic Designer · CORE — Sep 2021 — Feb 2023
Construction & design

- Designed the company's logo and identity; produced social content and ran the digital asset library.
